

Dear Colleague

IAgrE Young Engineers' Competition 2016: Tuesday 4 April 2017
Kubota Training School, Kubota UK Headquarters, Thame, Oxfordshire

Please save the date and start preparing your students for this annual competition open to all apprentices and landbased students.

Bosch-Rexroth have once again kindly sponsored this Competition and supply some excellent prizes and a substantial prize fund is available from IAgrE. There is no cost to you for entry and Kubota have kindly agreed to host us this year.

Full details of the competition including a drawing of the test ramp and the rules are available as downloads [on our website](#).

Please send your entry form and requests for competition kits ASAP to [Sarah at the Secretariat](#) and contact her on 01234 750876 if you have any queries or need further details.

A [brochure](#) is attached, advertising the event, which you may wish to display in on your notice board.

I look forward to meeting you in April.

Yours sincerely

A handwritten signature in black ink that reads 'A.J. Taylor'.

Alastair Taylor, IEng, MIAgrE
IAgrE CEO
