Branch Meritorious Award 2016

David Tinker

CEng CEnv FIAgrE

- David has been an active member of the South East Midlands Branch committee since 2006 with many ideas for meeting topics which he has followed through to delivery
- He has provided a link between the South East Midlands Branch and the local IMechE and has been responsible for organising two joint meetings every year since he joined the committee
- David has attended external meetings related to education and training, information from which he has fed back to the committee for inclusion in the programme
- He has contributed to Landwards for us frequently reporting the SEM Branch activities
- David fully deserves this Award
