Dear Member,

## **Notice Of The 66th Annual General Meeting.**

The 66th Annual General Meeting of the West Midlands Branch of the IAgrE will be held on Tuesday, 14th March, 2017, commencing at 7.30pm at The Friends Meeting House, Stratford upon Avon, Warwickshire, CV37 6XT.

Dr Clare Butler Ellis will give the Presidential Address and take questions from the Members present. Following this, she will give a short presentation based upon her work at the Silsoe Spray Applications Unit.

If you are interested in joining the Branch Committee let me know please as new committee members are always welcome. It is not an onerous job and only involves one evening committee meeting a year in January. It also looks good on your CV and counts towards CPD. Give me a call (or e-mail) and I can appraise you of what is involved.

The committee also welcomes ideas from members for possible branch meeting topics, so don't hesitate to contact either myself, or one of the committee members, with the details any ideas you may have,

Yours sincerely,

Ian Moore  
Branch Chairman
