Farm Walk

**At the invitation of Richard Postlethwaite
Grounds Farm, Wolston Lane, Wolston, Coventry CV8 3FQ**

Richard wished to make the approach to his farm more attractive so he planted some conifers along the road fence.

Then he thought would be nice to have a tree lined drive, then a pond. Then he met someone from the Woodland Trust.

Richard will lead us around his farm showing all his conservation related work, and it is still a working farm.

Please park by the farm buildings. We will commence the walk from there after an introduction.

Donations will be invited for Myton Hospice

Guests and visitors welcome to the meeting. Light refreshments will be served.
