'Tractor development at Banner Lane'

A film evening – Part two

Introduced by William Waddilove

7.30 pm

**Friends Meeting House, 37 Maidenhead Road,
Stratford upon Avon CV37 6XT**

William Waddilove a former employee of the Coventry Banner Lane factory, the birthplace of the famous 'Little Grey Fergy' - the TE20 in 1946 will continue his presentation.

The factory went on to become Europe's longest established tractor factory building over 3 million tractors. We will cover in film, many from a private collection, to the last major re-designed model.

Though the Massey Ferguson era and latterly AGCO until the factory was closed in December 2002.

Don't forget serving on a committee is CPD and looks great on your CV – Speak to Ian Moore the chairman.

For more information please contact; details below

All, and especially non-members, are welcome

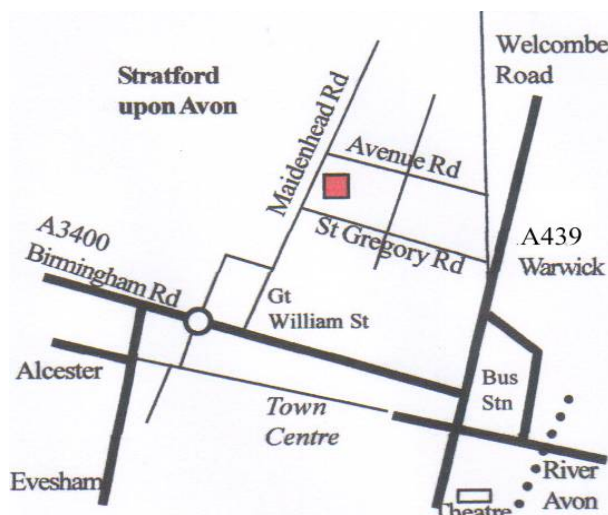

Guests and visitors are welcome to the meeting
