The Reverend Patrick Bell and his Great Invention

Speaker: - James Wallace

**7.30 pm Friends Meeting House, 37 Maidenhead Road,
Stratford upon Avon CV37 6XT**

The Reverend Patrick Bell is one of James Wallace's great engineering heroes.
A really remarkable person who was concerned about what he saw around him and used
his inventive skills and abilities to create a machine to reduce the work load of the men on
the farms

The story of Scythe to Combine

James will tell us about the Rev. Bell's concerns for the farm labourer, and his invention
that was some years before Cyrus McCormick

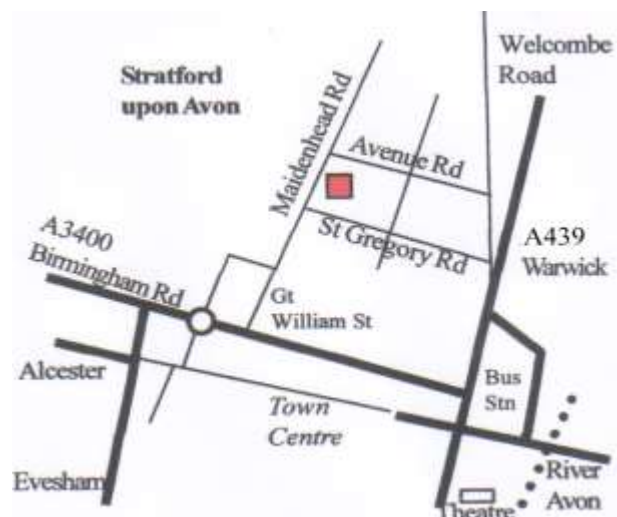

All, and especially non-members, are
welcome

Light refreshments will be served – and
mince pies!

Information Officer: William Waddilove
Chairman: Ian Moore:
