Please join us for the Midland Engineering Dinner, open to all our engineering colleagues. Our premier social event promoting engineering and academic excellence. An opportunity for both individuals and companies to meet, network and enjoy the occasion. There is also the opportunity to visit for free the Motorcycle Museum which celebrates many great engineering achievements.

Following the "Year of Engineering" we have the important theme of **"Innovation in the Supply Chain"**. Several companies will be showing their support for their future engineers with special displays in the hall.

Key note speakers from Liberty Industries Group and WMG, University of Warwick.
2019 dinner charity - Birmingham Children Hospital
