

Tractor Service Support Engineer – TYM **Based in St Neots, Cambs with UK travel**

Reesink Turfcare UK Limited is the exclusive distributor in the UK and Ireland for the world-leading Toro range of professional turf maintenance equipment and irrigation systems as well as the TYM brand of tractors.

We pride ourselves on offering an exceptionally high standard of pre-sale and after sales back up for all of the product brands we distribute.

We are now looking to recruit a Service Support Engineer to add to our team, to provide technical sales support for TYM Tractors and affiliated attachments to our dealers, direct sales team and end users. To work with our suppliers, report warranty/technical performance issues and ensure that technical issues are dealt with in a timely and cost effective manner.

You will have a sound technical understanding of tractors and/or have worked with diesel engines, hydraulic systems and be comfortable with electrical trouble shooting.

Must be flexible as frequent travel throughout the UK will be expected and overnight stays away from home when required. You will need to be highly motivated with a proactive approach, take a professional attitude to your work, have excellent communication skills and be able to build strong working relationships with our customers and internal colleagues.

The annual salary for this post is £32 - £35k (DOE) with benefits package and contributory pension scheme.

If you feel you have the necessary experience and qualities for this role, please apply via email with your CV, a covering letter and salary expectations to Jayne Ambler, HR Manager at:

Jayne.Ambler@reesinkturfcare.co.uk

We are an Equal Opportunities Employer. Close date for applications is 17th May 2019.
