

## **Factory Shift Engineer**

**Magna Specialist Confectioners Ltd, Stafford Park Telford, Shropshire TF3 3BH  
£38012 basic (includes shift premium for a rotational pattern) pa, on competence sign off.  
Additional hours worked paid at time & half.**

Our client, a leading specialist confectioner based in Telford has a firm belief that everything they do is carried out by a team. Every single process in the business is an integrated process and everyone pulling together in the same direction is key to the success of the Company.

They now have a career opportunity for a Factory Engineer capable of achieving results through working within a successful team of people, determined to reach the highest standards of quality.

### **The ideal Factory Engineer will demonstrate the following Knowledge Skills & Behaviors:**

- An individual who embraces and lives our core values of Determination, Quality, Integrity and Teamwork.
- A team player with plenty of ideas and enthusiasm who thrives under pressure.
- Mechanically competent with a systems & control bias.
- An understanding of Electrical Control Wiring Diagrams
- PLC programming and fault diagnosis
- Excited by learning new techniques & technology.
- The potential & drive to develop your engineering skills and progress to higher levels.
- Experience within the food or processing industry.

### **As a Factory Engineer you will:**

- Respond to the day-to-day breakdowns and changeovers.
- Provide shift technical leadership in a professional manner to operations colleagues.
- Support lead development engineers in continuous improvement & NPD activities.
- Progress projects & improvement initiatives during shift.
- Plan your work and agree deadlines with internal stakeholders and contractors.
- Take on an active role in generating ideas for improvement.
- Be flexible in working hours

### **What is on offer: -**

- Potential to earn £38982 (includes flexibility payment)
- Pension – Company Pension or Auto enrolment
- After years continuous service and validation, able to gain extra weeks holiday
- Benefits – Health Cash Plan
- Average Holiday pay
- Health & Life assurance

The Company operates by four distinct values: Determination: Quality: Integrity: Teamwork. These were not chosen casually – they are the words that describe what the most successful people in the business demonstrate when they are at their best. If you feel that you could aspire to share and live our values, then we would like to hear from you.
