

Ref: 223

### **Steve Constable, MD of Spaldings Limited, appointed President of the Institution of Agricultural Engineers (IAgrE)**

Steve Constable managing director of Spaldings Limited is the new President of IAgrE.

Steve has worked for Spaldings for 32 years and was previously operations director before being appointed managing director in 2019.

He studied a degree in agricultural engineering at Harper Adams University and has an MBA in Business Management and Marketing.

Steve became President at an official ceremony at the Institution's annual AGM and award ceremony held this year at the Claas UK headquarters in Little Saxham, Suffolk. His Presidency will last for two years.

Commenting on his appointment Steve said: "I am privileged to be appointed President of the IAgrE at a time when the need for qualified engineers, researcher's and academics has never been more important. Recent events such as Covid, Brexit and the conflict in the Ukraine have highlighted to all stakeholders the importance of producing food efficiently, effectively and with the least harm to the environment. I am committed to working hard in helping develop this Institution to remain at the forefront of this exciting industry".

President Elect is Dr Mark Moore FIAgrE. Mark is Director, Government Affairs at AGCO.

#### **IAgrE:**

IAgrE is the professional body for scientists, technologists, engineers, academics, managers and students working in the land-based sector and has an international membership base.

As a licensed body of the Engineering Council (EngC) and a founding Constituent Body of The Society for the Environment (SocEnv), IAgrE registers suitably experienced professionals as Chartered Engineers, Chartered Environmentalists, Incorporated Engineers and Engineering Technicians.
