

Reaseheath College Agricultural Engineering Vacancies

Would you like to be part of training the future Agricultural Engineering work force? Be part of shaping the future Engineering labour market by sharing your knowledge, skill and experience by joining our Land-based Engineering team and help our students to achieve their ambitions and contribute to the development of new curriculum opportunities, as we seek to expand our training provision.

We have two exciting opportunities:

Job Title: Lecturer/Course Manager Agricultural Engineering

Basis: Permanent, full-time

Salary: £25,331 - £34,718 per annum

We are looking for highly motivated and enthusiastic individuals with strong industry, and technical experience. The desired candidate would have the ability to teach the following subject areas, transmission types, farming machinery, engines, hydraulics, tractor technology, electrics, and fabrication skills.

Your application for this position may enable you to qualify for our [Taking Teaching Further](#) project. Taking Teaching Further is our dedicated support pathway for those wishing to commence a career as a teacher having worked in industry in recent years

Job Title: Advanced Technical Trainer Agricultural Engineering

Basis: Permanent, full-time

Salary: £25,331 - £34,924 per annum

We are looking for applications from highly skilled and motivated individuals to manage and deliver outstanding theory and practical training and vocational assessment to Agricultural Engineering Apprentices.

You will have an expert knowledge of Agricultural Engineering with a sound background conducting diagnostics and repairs and be able to transfer that knowledge and skills to Engineering Apprentices from across the UK.

You will be responsible for delivering theory and practical training within the Engineering department at Reaseheath College.

Your application for this position may enable you to qualify for our [Taking Teaching Further](#) project. Taking Teaching Further is our dedicated support pathway for those wishing to commence a career as a teacher having worked in industry in recent years.

The Reaseheath College offer:

In return we offer an inclusive working environment set in beautiful surroundings and a welcoming family feel. We have exceptional facilities and resources with some of the highest standards in the country, a statement supported and backed by The Institution of Agricultural Engineers (IAgrE) as well as working collaboratively with employers such as BMW, JCB and Lely.

Alongside this we also offer a wide range of fantastic benefits including:

- 32 days annual leave plus 8 bank holidays
- 10 days closure at Christmas
- 23% employer contribution as part of the CARE pension scheme
- Incremental enhanced sick pay after a successful 6 months' probationary period
- The opportunity to earn £5000 extra per annum to develop programme delivery alongside your line manager
- The potential to access a £5000 welcome bonus accessible over 2 years
- The opportunity to work within our specialist Engineering Academy which has received £80,000 worth of investment
